Subject: **Safe Drinking water and Sanitation Certificate**

This is to certify that an inspection team headed by **Dr. Abhimanyu Thakur**, Medical Superintendent from Community Health Center, Bhagwanpur, Dt. Haridwar, inspected the **Khrist Jyoti Academy**, Bhagwanpur on 15.06.2023. it was observed that the school premises is neat and clean and school has enough toilets and urinals for the boys, girls and the staff at each floor. School has washing areas and safe drinking water facility at every required place. School is well painted and has spacious rooms with two doors and four big windows in each room. Also school has 3.5 ft. wide stairs at both side of the building. School has provided safe and healthy environment for the students and staff. The institution is maintaining the hygienic sanitation condition and safe drinking water facility in the school building & the campus as per the norms prescribed by the state government.

I appreciate the efforts of the school management for maintaining safe, healthy and hygienic environment in the school. The safe drinking water and health and sanitation certificate is issued on 19.06.2023 for next two years.
